On A Mission
To Eliminate Hunger in the U.S.

Stop Hunger: Initiated 1996 in the United States

Mission
Ensure that every child in the United States grows up with dependable access to enough nutritious food to enable them to lead a healthy, productive life by investing in:

- Beyond Food Aid (Training & Education)
- Youth-Inspired Innovations
- Women Empowerment
- Advocacy
- Food Aid

Since 2013, Stop Hunger has been a global non-profit network acting sustainably and locally for a hunger-free world and shares with its founding partner Sodexo, the same aspiration, quality of life for all.

100% of proceeds raised from the 2021 event are dedicated to ending hunger

Every year the Sodexo Stop Hunger Foundation in the United States raises funds to provide grants to non-profit organizations helping to end hunger. At the 2021 Sodexo Inaugural Charity Classic sponsored by PepsiCo, over 1.6 million dollars was raised to further youth innovations, provide support to those who are hungry today and fund organizations working to help people, especially women and children, escape hunger permanently. Funds also support additional programs like the Stephen J. Brady Scholarship, Heroes of Everyday Life, Feeding Our Future, and Backpack Grants.
