Frequently Asked Questions

Q: What is a Hero of Everyday Life®?

A: A Hero of Everyday Life is a Sodexo employee who is actively involved in ongoing community service and goes above and beyond to fight hunger – giving their time, energy, and ideas to help feed some of the 40+ million people who are without enough food in the United States. A Hero puts service before self and inspires others to do the same.

Q: Why do we recognize Sodexo Heroes?

A: Hunger is an issue too big for one person, team, or organization to solve alone. Sodexo is committed to making a significant impact in the fight against hunger through our hunger fighting team of volunteers, including many employees who help lead the charge. Through this award, we proudly recognize them for their dedication, leadership and contributions to their communities.

Q: Who can submit nomination?

A: Anyone can nominate a Sodexo employee as a Hero of Everyday Life. Candidates can be nominated by a colleague, friend, employer, or may be **self-nominated**.

Q: When is the nomination period? How do you access the nomination?

A: The Heroes of Everyday Life® nomination period is September 1 - November 1. Access the nomination [here](#) or on HelpStopHunger.org/grants.

Q: What is the selection criteria based on?

A: To qualify, a nominee's activities must have had a demonstrated impact in the fight against hunger.

- How has the nominee changed their community for the better?
- How long has the nominee been involved? How many people have they helped?
- Has the nominee motivated others to join their cause? How innovative is their approach to hunger?

Q: What do selected Heroes receive?

A: Selected Heroes **receive a \$5,000 grant** from Sodexo Stop Hunger Foundation for the hunger-relief organization of their choice. Top winners are **recognized at the Foundation's annual fundraising event, the Sodexo Charity Classic Presented by PepsiCo, which will take place on May 5 -7, 2025 in Frisco, TX**. This is a three-day all-expenses-paid networking and recognition event where they will meet top global and national food, beverage, supplies, equipment, and facilities management companies who support the Stop Hunger mission.
